Property Owners

Thank you for the great job staging my house. I think the house's presentation made all of the difference in the world. When my wife saw it she wanted to move in again. Please feel free to use me as a reference.

David Curry, Manhattan Beach

I took a look at the photos that Kelly and Laura sent and the place looks simply amazing. My friend walked through today and called to say she was just blown away. Thanks for all of your hard work and creativity!

Ramsay Benham, Hollywood Riviera

Thank you for all of your efforts. I think the results speak for themselves (the house sold the day of the Broker's Open) It was a pleasure working with you and your crew. I'll keep you in mind next time I sell a house and will certainly refer others to you ...

Mike Long, Rolling Hills Estates

The house looked beautiful! You and your team did a magnificent job. I think this is exactly what we needed to do. Thank you for all your hard work.
